CAT. 6 FTP SHIELDED CONNECTION BOX FOR NETWORK...

Couplers

ARTICLE CODE WPC-ACB-6F

Cat. 6 FTP shielded connection box for network cables, LSA/IDC termination, up to 6.8 mm.

The WP CABLING Cat. 6 FTP connection box directly joins two runs of shielded network cable without intermediate RJ45 plugs.

Termination is made on LSA/IDC strips according to T568A/T568B and is compatible with 110 and KRONE punch-down tools. Integrated strain relief helps keep the connection stable and organized.
