WP CABLING PROFESSIONAL CAT. 6A STP RJ45 FIELD…

Modular Plugs

ARTICLE CODE WPC-MDP-88-6ASP-TL

WP CABLING Professional Cat. 6A STP RJ45 field plug, Tool-Less, 8P8C, 22–27 AWG, 50 µ gold plating.

The WP CABLING Professional Cat. 6A STP RJ45 field plug is designed for fast on-site termination without a crimping tool or other special tools.

Tool-Less IDC termination allows conductors to be prepared, positioned in the colour-coded guide and terminated simply by closing the connector. The plug can be reopened and re-terminated several times, making it especially practical for installation, maintenance and field work.

Applications

- Applications section not available in the product description.

Main features

- Category: Cat. 6A
- Performance: up to 500 MHz, 10GBase-T
- RJ45 8P8C
- Configuration: STP shielded
- Tool-Less IDC termination, no special tools required
- 22–27 AWG solid or stranded conductors
- Cable diameter: 6–9.5 mm
- Phosphor bronze contacts with 50 µ gold plating
- shielded nickel-plated die-cast zinc alloy body with UL 94V-0 plastic parts
- Compatible with PoE, PoE+ and UPoE
- Operating temperature: -40 °C / +60 °C
- More than 750 mating cycles
