INDOOR FTTH IP20 OPTICAL CONNECTION BOX WITH 1...

Fiber Optic Distribution Boxes

ARTICLE CODE WPC-FCB-I0101

Indoor FTTH IP20 optical connection box with 1 port for SC simplex / LC duplex adapters, for wall or 3-module flush-box mounting.

The WP CABLING WPC-FCB-I0101 indoor FTTH optical connection box is designed to terminate, protect and organise optical fibres in indoor installations.

It provides 1 position for SC simplex or LC duplex adapters and internal space for fibre routing and heat-shrink splice protectors. It can be mounted directly on the wall or on a standard 3-module flush box.
