IP65 FTTH OUTDOOR FIBER DISTRIBUTION BOX FOR 4...

Fiber Optic Distribution Boxes

ARTICLE CODE WPC-FCB-O0104

IP65 FTTH outdoor fiber distribution box for 4 ports, designed to organize connections and splices in outdoor installations. Compatible with SC Simplex / LC Duplex adapter positions.

The WP CABLING FTTH Outdoor fiber distribution box is designed to protect and organize fiber connections, splices and distribution in access networks. Its IP65 protection rating makes it suitable for outdoor installations.

The configuration provides 4 ports and positions compatible with SC Simplex / LC Duplex adapters. The internal splice board helps organize the fiber and facilitates installation and maintenance.
