FTTH OS2 9/125 ?M G.657.A2 OPTICAL FIBRE PIGTAI...

Pigtail

60 m

ARTICLE CODE WPC-FI0-9LC-600

FTTH OS2 9/125 µm G.657.A2 optical fibre pigtail, pre-terminated on one side with LC/UPC, white Ø3 mm LSZH cable, 60 m. Extends an FTTH line quickly by terminating only the free end, reducing installation time.

The WP CABLING long-length FTTH optical fibre pigtail extends an optical line inside a building. The semibreakout is pre-terminated on one side, so the installer can route it to the destination and terminate only the free end.

Compared with a cable terminated at both ends, it reduces termination operations and installation time. It is suitable for office rack cabinets, technical rooms, optical boxes and router or ONT locations.

WPC-FI0-9LC-600

Technical data

LENGTH	60 m
CATEGORY	OS2
CONNECTOR TYPE A	LC
JACKET	LSZH
FIBER TYPE	Singlemode

Applications

- FTTH line extensions
- Office rack cabinets and technical rooms
- Optical boxes and router or ONT locations

Main features

- OS2 single-mode / monomode / Singlemode / singlemode / monomodo optical fibre
- 9/125 µm G.657.A2
- Simplex
- LC/UPC
- Pre-terminated on one side / preconectorizado por un lado / einseitig vorkonfektioniert / aan één zijde voorgemonteerd / pré-conectorizado num lado
- Tight Buffer
- Ø3 mm LSZH, white
- Maximum insertion loss: 0.7 dB
- Operating: -25 °C / +80 °C; storage: -20 °C / +65 °C
- 60 m
- Installation Advantages:
- Only one end to terminate

PRODUCT IDENTIFICATION

Code: WPC-FI0-9LC-600

EAN: 8052101430523
