OPTIONAL BOTTOM PLATE FOR WP RACK RSA SERIES SE...

19" Rack Installation Accessories

black

ARTICLE CODE WPN-ABS-RSA810-B

Optional bottom plate for WP RACK RSA series server cabinets 800×1000 mm, with 2 cable entries and 2 brushes, black RAL 9005.

The WP RACK bottom plate is a dedicated accessory for RSA series 800×1000 mm server cabinets.

RSA cabinets are supplied as standard without a bottom plate; this accessory can therefore be purchased separately when the bottom of the cabinet needs to be closed and cable entry managed more neatly.
