120 × 120 × 38 MM FAN FOR RACK VENTILATION PANE...

Cooling Units

black

ARTICLE CODE WPN-ACS-FAN120T

120 × 120 × 38 mm fan for rack ventilation panels with thermostat, with protective grille, 2 m cable and 230 V - 50 Hz power supply.

The WP RACK fan with thermostat is designed for mounting on compatible ventilation panels in rack cabinets. It promotes air exchange and contributes to dissipating heat generated by installed equipment.

The protective grille guards the fan assembly. The thermostat model enables ventilation control according to the set temperature. The 2 m power cable is fitted with a Schuko plug.
