PULL-OUT 19” 1U OPTICAL BOX WP CABLING IN COMBO…

# 19"/DIN Fiber Optic Boxes

**ARTICLE CODE** WPC-FPP-0224-B

Pull-out 19” 1U optical box WP CABLING in COMBO version, with 2 interchangeable front panels included: 24 SC Duplex positions or 24 LC Duplex / SC Simplex positions. Only one panel is used at a time; capacity up to 48 fibers and professional splice tray included.

The pull-out WP CABLING optical box for 19” 1U racks in COMBO version is designed to organize, terminate and splice up to 48 fibers in professional installations.

The supply includes 2 interchangeable front panels: one with 24 positions compatible with SC Duplex adapters and one with 24 positions compatible with LC Duplex or SC Simplex adapters. The panels are alternatives: the installer chooses and mounts the required panel, and only one panel is used at a time.
