PROFESSIONAL SMARTNESS SPLICE TRAY FOR 24 SPLIC…

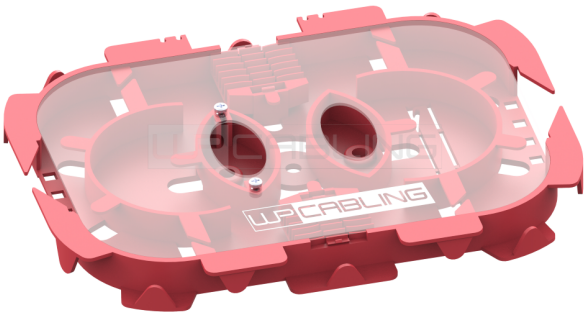

Fiber optic accessories

ARTICLE CODE WPC-FST-BP24

Professional Smartness splice tray for 24 splices, with multiple fibre routing paths and hinged splice holders.

The WP CABLING Professional Smartness WPC-FST-BP24 splice tray is designed to provide maximum flexibility for fibre organisation inside optical boxes and drawers.

Its internal layout provides multiple routing paths for managing fibres, slack and bend paths in an orderly way. The two splice holders for up to 24 heat-shrink protectors are hinged and tiltable, allowing the installer to lift them and work in the space underneath without removing the tray.
