WP CABLING PROFESSIONAL CAT. 6A UTP RJ45 FIELD…

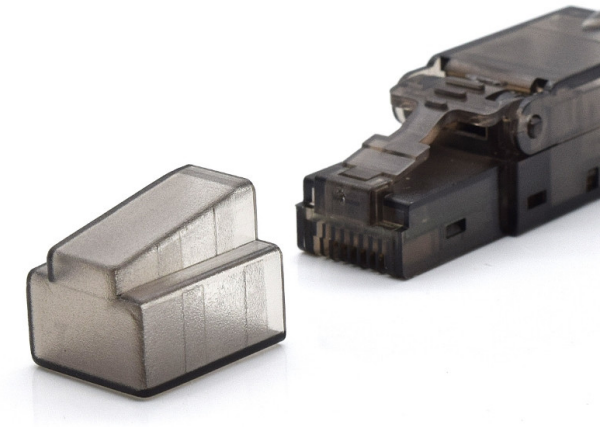

# Modular Plugs

**ARTICLE CODE** WPC-MDP-88-6AUP-TL

WP CABLING Professional Cat. 6A UTP RJ45 field plug, Tool-Less, 8P8C, 22–27 AWG, 50 µ gold plating.

The WP CABLING Professional Cat. 6A UTP RJ45 field plug is designed for fast on-site termination without a crimping tool or other special tools.

Tool-Less IDC termination allows conductors to be prepared, positioned in the colour-coded guide and terminated simply by closing the connector. The plug can be reopened and re-terminated several times, making it especially practical for installation, maintenance and field work.

| SHIELDING | UTP |

## Applications

- Applications section not available in the product description.

## Main features

- Category: Cat. 6A
- Performance: up to 500 MHz, 10GBase-T
- RJ45 8P8C
- Configuration: UTP unshielded
- Tool-Less IDC termination, no special tools required
- 22–27 AWG solid or stranded conductors
- Cable diameter: 6–9.5 mm
- Phosphor bronze contacts with 50 µ gold plating
- UL 94V-0 flame-retardant plastic body
- Compatible with PoE, PoE+ and UPoE
- Operating temperature: -40 °C / +60 °C
- More than 750 mating cycles
