KIT OF 20 M6 FIXING SETS FOR 19" RACK CABINETS,...

19" Rack Installation Accessories

black

ARTICLE CODE WPN-AVA-SS20

Kit of 20 M6 fixing sets for 19" rack cabinets, including screws, washers and cage nuts. Ideal for mounting accessories and components on rack mounting rails. Black color.

The WP RACK WPN-AVA-SS20 kit includes 20 complete M6 fixing sets, each consisting of a screw, washer and cage nut, designed for installing accessories and components inside 19" rack cabinets.

The cage nuts provide secure fastening to compatible rack mounting rails, while the screws and washers complete the mounting system. The kit is suitable for installing shelves, panels, PDUs, cable management accessories and other 19" rack components.
