19" ROS SERIES 4-POST OPEN FRAME RACK, 22U, ADJ…

Open Frame Racks

black

ARTICLE CODE WPN-ROS-226X-B

19" ROS series 4-post open frame rack, 22U, adjustable depth 559–1023 mm, load capacity up to 450 kg, 16 cable rings included, black RAL 9005.

The professional WP RACK ROS series four-post open frame rack is designed for server, networking and cabling installations that require maximum accessibility, natural airflow and depth flexibility.

The fully open structure allows easy access to equipment from every side and promotes unrestricted airflow. The depth is adjustable from 559 to 1023 mm, allowing the rack to accommodate equipment of different depths and optimize available space.
