COMPACT PROFESSIONAL 19" SERVER RACK CABINET RS...

Server Cabinets

black

ARTICLE CODE WPN-RSB-10608-B

Compact professional 19" server rack cabinet RSB 10U 600×800 mm with perforated steel doors, supplied assembled for small offices, professional studios and compact IT installations.

The WP RACK RSB professional 19" server rack cabinet is designed for compact IT deployments where footprint and height need to stay under control. The perforated steel front and rear doors help maintain airflow while keeping the installation tidy and secure.

The cabinet is supplied assembled and combines a 2 mm steel load-bearing frame with 1.5 mm steel panels and doors, a load capacity up to 800 kg, lockable removable side panels, four numbered depth-adjustable 19" rails, top and bottom cable entries, preparation for 120 mm fans, four castors, four leveling feet, a grounding kit and 20 cage nut and screw sets.

PROFESSIONAL TECHNICAL DATASHEET

Technical information

WPN-RSB-10608-B

Technical data

HEIGHT	594 mm
WIDTH	600 mm
DEPTH	800 mm
COLOR	black
UNIT	10
PROVIDED	Assembled
INSTALLATION	Floor-standing

Applications

- Small offices, professional studios, retail points of sale and compact IT installations where space is limited. Thanks to its low height, the 10U format is especially suitable for under-desk placement or other low-clearance technical spaces.
