19" RWC SERIES WALL MOUNT RACK CABINET, 6U, 600…

Wall Mount Rack

black

ARTICLE CODE WPN-RWC-06606-B

19" RWC series wall mount rack cabinet, 6U, 600 mm deep, with perforated steel front door and removable lockable side panels. A secure, well-ventilated solution for schools, warehouses, laboratories and technical environments.

WP RACK RWC series wall mount rack cabinets are designed for IT and networking installations where greater impact resistance, controlled access and improved natural ventilation are required compared with glass-door cabinets.

The 1.5 mm steel construction and welded frame provide strength and stability. The lockable perforated steel front door, internally reinforced, helps protect installed equipment from accidental impacts and unauthorized access, making the cabinet particularly suitable for schools, warehouses, laboratories and technical rooms.
