ARTICLE CODE WPN-RWO-12606-G

19" RWO series industrial wall mount rack cabinet, 12U, 600 mm deep, IP55 protection rating. Welded steel construction, steel door with dust filter and ventilation kit with 2 fans already mounted on the roof and included.

WP RACK RWO series industrial wall mount rack cabinets are designed for IT and networking installations in harsh environments and outdoor applications where a high level of protection against dust, rain, snow and water splashes is required.

The fully welded steel construction, made from sheet steel up to 2 mm thick, provides high mechanical strength and protection for installed equipment. The IP55 protection rating makes the RWO series suitable for exposed and industrial environments.
